

Idaho Humanities Council

Teacher's Evaluation of Teacher Incentive Grant (TIG) Project

The information requested below is necessary for reporting to the National Endowment for the Humanities (NEH) and to the Idaho Humanities Council (IHC) for closing your grant.

Project Director and school affiliation _____

IHC Grant Number _____

Teacher _____

Title of Project _____

Amount Funded by IHC \$ _____

Dates of Project Activities _____

1. Describe the project briefly and enumerate goals listed in original grant application. Were the objectives met? What anticipated difficulties did you encounter in implementation? If significant changes occurred in implementation, please explain.

2. How did this project enhance the humanities content of your course?

3. How many students were involved in the project?

What were the reactions, positive and negative, of your students?

4. What were the reactions of your peers to this project?

5. Do you feel that this project was worth your time and effort? Why or why not?

6. Would you apply for another IHC grant? Would you encourage your colleagues to apply also, and would you be willing to assist others with grant applications?

7. Please attach copies of any curriculum, reports, or publicity materials.
